Happy 3rd Anniversary, Midnight Scans!

At long last we've hit our 3rd year of scanlating mangas for ourselves and sharing our work with the rest of the readers around the globe.
This year has proved to be an exciting and also challenging year for all of us, as most of the staff here had to overcome our lives before we could put scanlating first.
We've gone through work changes, almost failing college finals, heavy flood areas and also the shattering events in Japan.
However, we are still alive and kicking (The remainder of us in MS, anahana.)

Give yourself a big hug and a proud pat, staffies!
MS is still alive for another year because of you!

We (the staffs and ex-staffs at MS would like to thank all the help we gotten from our New Recruits, leechers, and mainly you. Without you, we won't have any help in terms of releasing.. We'd also like to thank past applicants who had tried out but didn't make it for being so brave "You've instilled hope that we are still able to find help out there."
Lastly, we also would like to thank our ex-staffs (Ohonoho yeah, those of you who have resigned or simply went poof), "Thank you for being apart in MS. You'll be sorely missed."

Let's get the ANN on the road with our releases.
May we have another wonderful, smut and shoujo filled year!!!

Happy 3rd Anniversary, Midnight Scans!

At long last we've hit our 3rd year of scanlating mangas for ourselves and sharing our work with the rest of the readers around the globe.
This year has proved to be an exciting and also challenging year for all of us, as most of the staff here had to overcome our lives before we could put scanlating first.
We've gone through work changes, almost failing college finals, heavy flood areas and also the shattering events in Japan.
However, we are still alive and kicking (The remainder of us in MS, anahana.)

Give yourself a big hug and a proud pat, staffies!
MS is still alive for another year because of you!

We (the staffs and ex-staffs at MS would like to thank all the help we gotten from our New Recruits, leechers, and mainly you. Without you, we won't have any help in terms of releasing.. We'd also like to thank past applicants who had tried out but didn't make it for being so brave "You've instilled hope that we are still able to find help out there."
Lastly, we also would like to thank our ex-staffs (Ohonoho yeah, those of you who have resigned or simply went poof), "Thank you for being apart in MS. You'll be sorely missed."

Let's get the ANN on the road with our releases.
May we have another wonderful, smut and shoujo filled year!!!
